4. In the next window, change installation folder if you want or go on with the current folder path. Select **Everyone** to install it to all users and then click **Next** to continue.

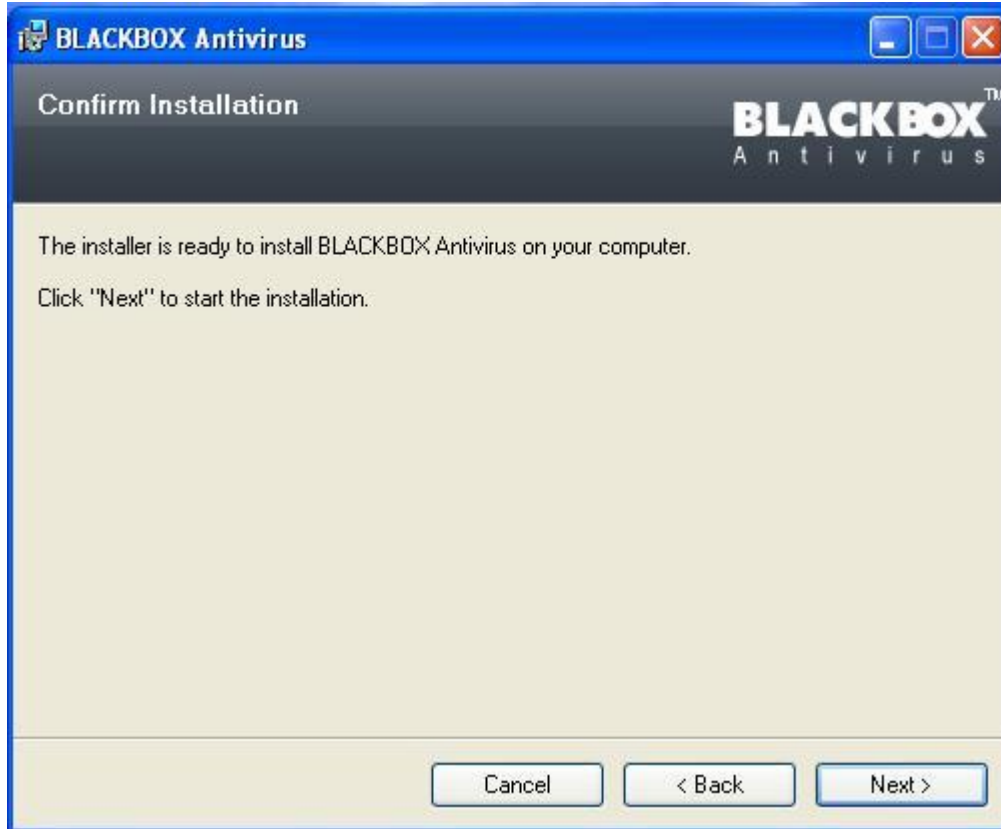

5. In the next window, Customer Information; your system details are shown, click **Next** to continue.

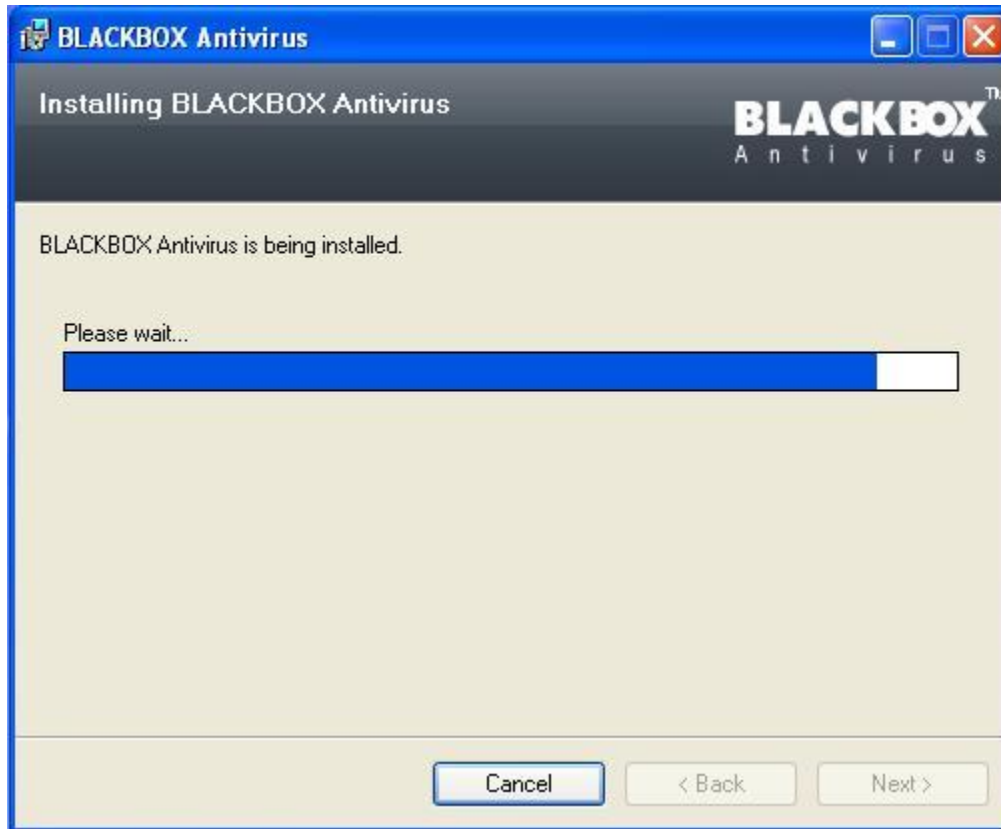

The screenshot shows a Windows-style window titled "BLACKBOX Antivirus". The window has a blue title bar with standard minimize, maximize, and close buttons. Below the title bar is a dark grey header area with the text "Customer Information" on the left and the "BLACKBOX Antivirus" logo on the right. The main content area is light beige and contains the following text: "Enter your name and company or organization in the box below. The installer will use this information for subsequent installations." Below this text are two text input fields. The first field is labeled "Name:" and contains the text "D3". The second field is labeled "Organization:" and contains the text "CYBROSYS". At the bottom of the window, there are three buttons: "Cancel", "< Back", and "Next >". The "Next >" button is highlighted with a yellow border.

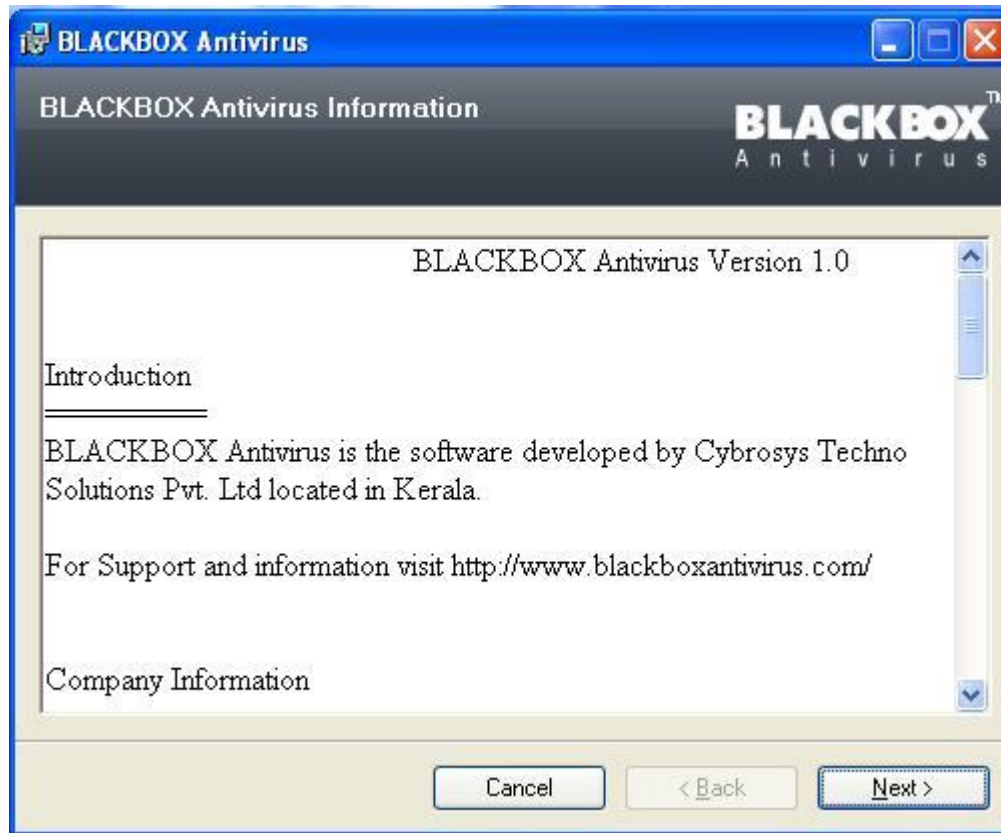

6. In the next window, click **Next** to confirm installation.

7. After that you will see the **Installing BLACKBOX Antivirus** window (below) for a few minutes.

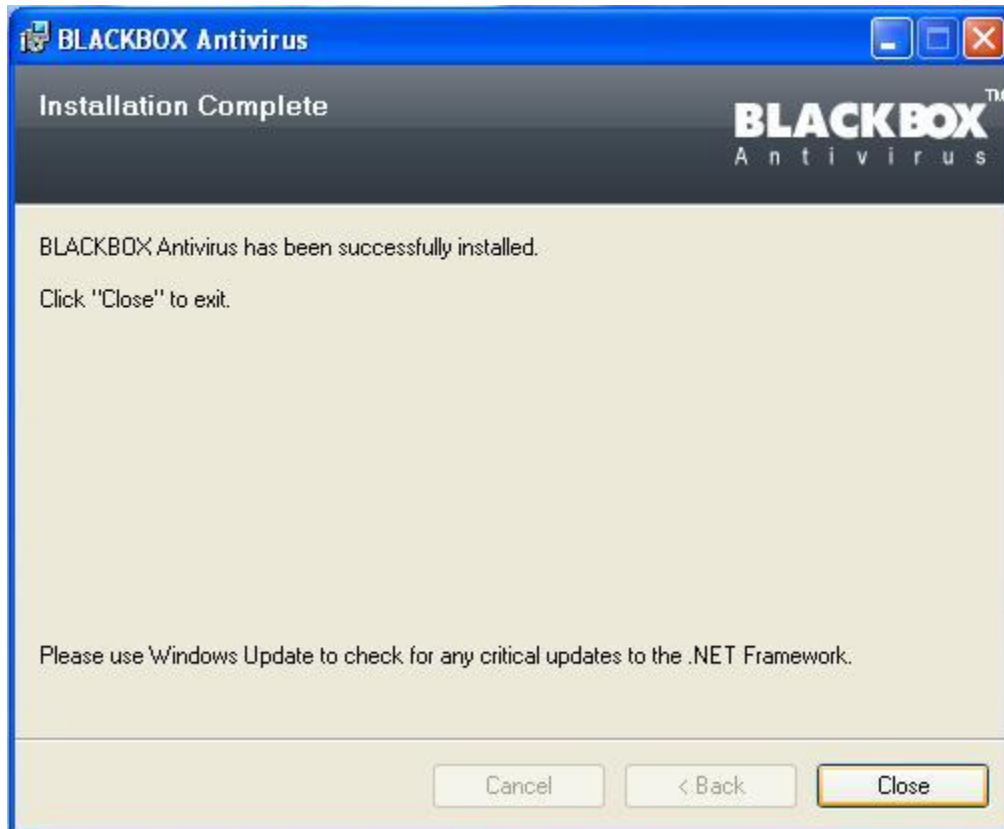

8. The next window will show information about BLACKBOX Antivirus. Click **Next** to continue.

9. When you see the **Installation Complete** window, click **Close** to complete your installation.

10. Then enter the validation key given by us. And press **OK** to start BLACKBOX Antivirus.

The screenshot shows a window titled "Activation" with a close button in the top right corner. The window contains two input fields: "Serial Number" with the value "3320563179" and "Validation Key" which is currently empty. At the bottom of the window, there are two green buttons labeled "OK" and "RESET".
